Classification and Nomenclature of Viruses
Fourth Report of the International Committee on Taxonomy of Viruses
R.E.F. Matthews
Department of Cell Biology, University of Auckland, New Zealand

Report prepared by the International Committee on Taxonomy of Viruses and published for the Virology Division of the International Union of Microbiological Societies (IUMS)
4 figures and 3 tables, 1982

Translation into other languages is possible, provided:
(i) Permission is first obtained through both the publisher,
S. Karger AG, Basel, and the secretaries of ICTV. (ii) That before publication, a copy of the manuscript be submitted to the secretaries of ICTV in order that the correctness of the translation can be checked with respect to taxonomic matters, (iii) That all translation and publication costs are borne by the country or region concerned.

All rights, including that of translation into other languages, reserved. Photomechanic reproduction (photocopy, microcopy) of this book or parts of it without special permission of the publisher is prohibited.
