The Dr. Heinz Karger Memorial Foundation in Basle announced last year an international competition for outstanding medical-scientific papers, to be written on the subject "Enzymology of Leukemia Cells". The Council of the Foundation — which comprises Professor H. Lüdin, Basle, Professor G. Mayor, Zurich, Dr. R. Rüttner, Berne, Professor J. Rüttner, Zurich, and the publisher Mr. T. Karger — has now awarded the sFr. 3000.— prize to the two American research workers Dr. J. B. Block and Dr. S. L. Bonting of the National Institutes of Health, Bethesda, Md., for their paper about "ATPase Transport in Normal and Leukemia Leukocyte".

This paper will be published in the international Journal Enzymologia biologica el clinica. Highly recommended were the papers submitted by Dr. W. Wilmanns of Tübingen (awarded the second prize) and Prof. D. Dioguardi of Cagliari and Prof. A. Agostini of Milano (awarded the third prize).

The Council of the Foundation has also announced that the subject of the second competition, to be held next year, will be "Microangiological Problems in Arterio-sclerosis".

The Society of Biological Psychiatry is offering three annual awards of $ 500, $ 250 and $ 100 made possible by the A. E. Bennett Neuropsychiatric Research Foundation for the 3 best papers offered. Please submit paper in triplicate to Harold E. Himwich, M. D., Galesburg State Research Hospital, Galesburg, Illinois 61401 before March 1, 1965.
