Bruce S. Schoenberg International Award and Lecture in Neuroepidemiology

The Bruce S. Schoenberg Award, American Academy of Neurology, 2221 University Avenue SE, Suite 335, Minneapolis, MN 55414 (USA)

In tribute to Dr. Schoenberg's career in training neurologists internationally in epidemiologic methods, this award salutes a young investigator selected from a developing country or Eastern Europe.

Award
• Designation as recipient of the 8th Annual Bruce S. Schoenberg International Award and Lecture in Neuroepidemiology at the 48th American Academy of Neurology Annual Meeting in San Francisco, Calif.
• Recipient is expected to present a 30-min lecture, based on the selected abstract, during the Neuroepidemiology Scientific Session.
• Certificate of Recognition from the American Academy of Neurology.
• Reimbursement for travel and lodging expenses to attend the Annual Meeting.
• Complimentary admission to educational programs offered at the Annual Meeting.

Eligibility
Applicant must: be an investigator under the age of 40; be a permanent resident of a country outside of the United States and Canada; have participated in significant epidemiologic research in neurologic diseases, and, have collected the study data in a developing country or Eastern Europe.

Application Procedure
Applicant must submit ten complete sets of the following materials: a current curriculum vitae indicating date of birth, and an extended abstract of up to 500 words of an epidemiologic study in which the applicant is (was) a significant participant researcher (the abstract will be ineligible for separate submission to the 1996 Scientific Program).

Deadline
All application materials must be received by November 13, 1995. Submit material to:
