Contents, Vol 35, 1995

Founded 1897 as "Monatsschrift für Psychiatrie und Neurologie", continued 1957-1967 as "Psychiatria et Neurologia"

H.E. Kaeser (1968-1993)

Founders: C. Wernicke and Th. Ziehen.

Editor-in-Chief
J. Bogousslavsky, Lausanne

Associate Editors
J.G. Hildebrand, Brussels L.R. Caplan, Boston, Mass.

Associate Editor (Neuroscience)

Assistant Editor
Th. Kuntzer, Lausanne
Drug Dosage

The authors and the publisher have exerted every effort to ensure that drug selection and dosage set forth in this text are in accord with current recommendations and practice at the time of publication. However, in view of ongoing research, changes in government regulations, and the constant flow of information relating to drug therapy and drug reactions, the reader is urged to check the package insert for each drug for any change in indications and dosage and for added warnings and precautions. This is particularly important when the recommended agent is a new and/or infrequently employed drug.
