Awarding of the Third Lucien Appel Prize for Neuroradiology

The compilation of the works and the curriculum vitae of the candidates allowed the Council of the Foundation Lucien Appel to design Dr. Philippe Demaerel from the University of Leuven, Belgium, to be the laureate of the prize for his work: 'Clinical Applications of Localized 1H-NMR Spectroscopy in Intracranial Tumours'.

The Fourth Lucien Appel Prize for Neuroradiology will be awarded in March 1998. Submitted works together with curriculum vitae should reach the secretary of the Lucien Appel Foundation A.Z. Middelheim Lindendreef 1 B-2020 Antwerp (Belgium) before September 30, 1997.
