7th Congress of European Society for Experimental Surgery
Amsterdam (The Netherlands), April 11-14, 1972

The European Society for Experimental Surgery has the pleasure to announce that its 7th Congress will convene in the International Congress Centre RAI in Amsterdam from April 11 to 14, 1972.

Submission of papers. Abstracts may be presented by members of the Society; abstracts of non-members must be sponsored by members. All abstracts should be written in English and be submitted with 10 copies before January 1, 1972. Specific indications will follow with the provisional program which is to be issued by October 1, 1971.

Discussion groups. Rooms will be available for minor discussion groups upon application to the organizing Committee.

Film section. Original films on modern surgical research procedures may be presented. An abstract, including all the technical data of the film, should be submitted before January 1, 1972; the film, if accepted, before March 1, 1972.

Social program. On Tuesday night, April 11, there will be an informal gathering. An official reception and a farewell party will be arranged for as well. Special excursions will be organized for accompanying ladies. Moreover, a session will be scheduled on cultural and social subjects, with introductions of invited speakers.

Registration. Application forms for registration and hotel reservation etc. will be enclosed in the provisional program. Such applications should be sent in to the Organizing Committee before January 1, 1972.

Executive agent. All arrangements connected with the organization of the Congress have been placed in the hands of: Vinke + Co.'s Travelagency, Westerstraat 56, Rotterdam (The Netherlands); telephone: (010) 13 65 50, telex: 23 516, cables: vinketravel, who will handle the hotel bookings, excursions, transfers, social events, exposition, and are recommended for all bookings for air-, rail- and bus transportation, as well as car rentals and all pre- and post-Congress arrangements.
