Communication – Mitteilung

The New York Academy of Sciences will sponsor a Conference entitled Experimental Medicine and Surgery in Primates

to be held in New York City September 27, 28, 29 and 30, 1967.

Sessions will include Taxonomy and Comparative Biology; Experimental Cardiovascular Studies; Contribution of Non-Human Primates to the Study of Perinatal Problems, Gynecology and Obstetrics; Supply, Maintenance and Handling of Non-Human Primates for Medical Research; Experimental Surgery; Virology and Parasitology; and Toxicology. There will also be an evening Panel Discussion on Genetic Markers, Phylogenesis and Evolution in Primates.

A detailed program will be published later. Inquiries about the conference should be addressed to the Executive Director, The New York Academy of Sciences, 2 East 63 Street, New York, N.Y. 10021.
