Special Section

Am. J. Nephrol. 1985;5:I-VI

Contents, Vol. 5, 1985

Editor-in-Chief
Shaul G. Massry, Los Angeles, California

Assistant Editors
Vito M. Campese, Los Angeles, California

Managing Editor
Jamie Jimenez, Los Angeles, California

Associate Editors
Neal S. Bricker, Los Angeles, California Arthur H. Cohen, Torrance, California
(Renal Pathology Forum) Garabed Eknoyan, Houston, Texas
(Medical Art and History of Nephrology) Eben I. Feinstein, Los Angeles, California Eli A. Friedman, Brooklyn, New York
(Nephrology Consultant Section) Neil A. Kurtzman, Lubbock, Texas
(Quiz of the Month Section) Robert W. Schrier, Denver, Colorado Wadi N. Suki, Houston, Texas
(Editorials and Reviews Section) Robert L. Vernier, Minneapolis, Minnesota
(Pediatric Forum Section)

Editorial Board
Zalman S. Agus, Philadelphia, Pennsylvania
Robert J. Anderson, Denver, Colorado
Jose A.L. Arruda, Chicago, Illinois
William M. Bennett, Portland, Oregon

Drug Dosage
The authors and the publisher have exerted every effort to ensure that drug selection and dosage set forth in this text are in accord with current recommendations and practice at the time of publication. However, in view of ongoing research, changes in government regulations, and the constant flow of information relating to drug therapy and drug reactions, the reader is urged to check the package insert for each drug for any change in indications and dosage and for added warnings and precautions. This is particularly important when the recommended agent is a new and/or infrequently employed drug.
