International Symposium on Recent Advances in Adrenal Regulation and Function
Madrid, Spain, September 19-20, 1986

An International Symposium on Recent Advances in Adrenal Regulation and Function in memory of M.B. Lipsett will be held in conjunction with the 7th International Congress on Hormonal Steroids. The Meeting is sponsored by Serono Symposia. Members of the Scientific Committee are: G. Chrousos (USA), M. Lipsett (USA), L. Lorhaux (USA), L. Martini (Italy) and M. Serio (Italy). The Symposium will be sponsored by: the School of Medicine of the University of Catania, Italy, and the National Institute of Child Health and Human Development, Bethesda, Md., USA.

Topics include: regulation of ACTH secretion, intra-adrenal regulation mechanisms of steroid secretion, regulation of adrenal androgen secretion and function, cellular and molecular mechanisms of glucocorticoid action and clinical aspects (hypothalamic-pituitary-adrenal function in endocrine and psychiatric disorders, molecular pathophysiology of congenital adrenal hyperplasia, actions and applications of anti-glucocorticoids, physiology of surgical stress). The scientific program will also include oral communications and poster presentations. Deadline: May 15th 1986.

For further information and registration forms please contact: Dr. Giancarlo D’Agata, Scientific Secretary, Unità Endocrina, Clinica Medica III, Università di Catania, Ospedale Garibaldi, I-95123 Catania (Italy). Tel. 095 317983/310899.

International Medical and Scientific Conference on Contraception
Chicago, 111., September 23-26, 1986

The Society for the Advancement of Contraception (SAC) will hold its Fourth Annual Meeting, the International Medical and Scientific Conference on Contraception, at the Palmer House Hotel in Chicago, 111., from Tuesday, September 23 through Friday, September 26, 1986. The deadline for abstract submissions is June 15, 1986. Accepted abstracts will be published in, and complete manuscripts considered for the society’s scientific journal Advances in Contraception. CME credits will be available.

Persons wishing to make presentations or to attend are encouraged to communicate with: H.M. Hasson, MD, SAC, P.O. Box 14898, Chicago, IL 60614 (USA), phone (312) 975-8101, telex 280113 SAC CGO, cable SOFAC.
