Update on Diabetes in Childhood  The Acta Endocrinologica Prize
The International Study Group on Diabetes in Children and Adolescents (ISGD) announces a course on ‘Update on Diabetes in Childhood’, March 17-24, 1990, to be held in Malga Ciapela, Mar-molada (Italy).
The course is addressed to pediatricians, practitioners and endo-crinologists dealing with children and adolescents. Directors of the course are Dr. L. Pinelli, University of Verona (Italy), and Prof. Z. Laron, Tel Aviv University (Israel).
The scientific program will be held in the mornings and evenings, and during the day winter sports can be enjoyed in a beautiful area of the Alps at a height of up to 3,000 m.
For further information and a detailed program, please write to:

The Acta Endocrinologica Prize is awarded quadrennially to a candidate who has significantly contributed to the advancement of knowledge in the field of endocrinology.
The prize consists of a certificate and 7,500 ECU plus travelling expenses. It will be presented for the first time on the occasion of the Congress of the European Federation of Endocrine Societies in Ljubljana, Yugoslavia, July 1-6, 1990.
The recipient of the prize will be expected to give a lecture on the relevant research during the congress and also to write a review of the research to be published in Acta Endocrinologica. Nominations for the prize are invited from individuals or groups. The candidate must be less than 45 years of age on January 1 st, 1990, and must be permanently resident in Europe. Selfnomi-
Nations will not be accepted.
The Jury is presided by the President of the EFES with the Editor in Chief of Acta Endocrinologica as Vice chairman and 5 members elected at the discretion of the Editorial Board of Acta Endocrinologica and the President of the EFES upon the advice of the Executive Committee of the EFES.
Nominations should be in the form of 7 copies of a statement of no more than 1,000 words in English of the manner in which the candidate’s published contributions have aided knowledge concerning endocrinology; 7 copies of each of no more than 8 relevant publications, and 7 copies of a curriculum vitae of the candidate, including a complete bibliography.
Nominations should be submitted to the Editor in Chief of Acta Endocrinologica, C. Binder, MD, Steno Memorial Hospital, Niels Steensens Vej 2, DK-2820 Gentofte, Denmark, by December 1st, 1989.
