**Notice on Short Communications**

With the purpose of promoting the rapid circulation of information, the Editorial Board is willing to publish, in a special section entitled ‘Short Communications’ short papers which contain new scientific material. The manuscripts must not be longer than 3 sheets, typewritten with double space, they can contain 2 figures or tables and not more than 12 references; further publication of this material in an extensive form shall not be excluded. Papers are accepted or refused by the Editorial Board in a short delay and the material will be published within 3 months following the submission.

Manuscripts should be sent to: H. Goebell, Gastroenterology Section, Department of Internal Medicine, University of Ulm, Steinhövelstrasse 9, D-79 Ulm (FRG).

The Editor-in-Chief
