Asian and Pacific Society of Hematology
The second congress of the Asian and Pacific Society of Hematology will be held in Manila, Philippines, in accordance with the resolution adopted at the first congress of the Society in 1958. All members of the Asian and Pacific Society of Hematology and doctors and scientists interested in the field of hematology are cordially invited to attend this congress.

Date: Wednesday, December 27 and Thursday, December 28, 1961.
Place: The Science Hall of the College of Medicine, University of the Philippines, Manila, Philippines.
Language: The official language of the congress will be English.
Presentation of papers: The deadline for submitting the titles and abstracts of the manuscripts which are to be read is August 1, 1961. The authors should limit their abstracts to not more than 400 words. These papers should be submitted to the following address: Dr. Eugene Stransky, President of the Asian and Pacific Society of Hematology, Philippine General Hospital, Manila, Philippines.

Further information: Further detailed information will be forwarded to each member by the president.

Further communication: All communications regarding the congress should be addressed to the president.

Susumo Hibino Secretary General of the Asian and Pacific Society of Hematology

American Society of Hematology
The 1961 meeting of the American Society of Hematology will be held at the Ambassador Hotel, Los Angeles, California, November 27 to 29, 1961. The last date for submission of abstracts to the president, Dr. Louis Lowenstein, Royal Victoria Hospital, Montreal, Quebec, is September 15, 1961.
