Announcement
Sixth International Congress on Fibrinolysis
(Formerly: International Conference on Synthetic Fibrinolytic Thrombolytic Agents)
The Sixth International Congress on Fibrinolysis will be held in Lausanne, Switzerland, from July 20 to 23, 1982. The official language of the congress will be English.
The main topics of the congress will be: Activation mechanisms of fibrinolysis; Plasminogen activators; Inhibitors of fibrinolysis; Contact activation and fibrinolysis; Release of plasminogen activators from the vascular endothelium; Hypofibrinolysis as a risk factor in deep venous thrombosis; Synthetic fibrinolytic agents; Thrombolysis; Synthetic substrates; Tumour-related fibrinolytic activity.
Deadline for submission of abstracts is February 15, 1982. For further information about the congress contact: Sixth International Congress on Fibrinolysis, Administrative Secretariat, PO Box 182, CH-4013 Basel (Switzerland).
