3rd International Symposium on Irritant Contact Dermatitis

The 20th Annual Meeting of the Vereinigung für operative und onkologische Dermatologie

Rome, October 2-4, 1997

will be held on October 17-19, 1997, in Munich

The 3rd International Symposium on Irritant Contact Dermatitis (ISICD) will be held in Rome, Italy, on October 2-4, 1997. The Symposium will focus on recent clinical and experimental advances in the field of skin irritation. Advances in biology, epidemiology and prevention of skin irritation will be presented by research leaders in this field. In vivo and in vitro testing for prediction of irritation will be discussed. Submission of abstracts for oral or poster presentation is encouraged.
