Erratum

The wrong figure 2 and legend were printed in the article by Chiba et al. [Int Arch Allergy Immunol 2009;149(suppl 1):77–82] entitled ‘15-Deoxy-Δ12,14-Prostaglandin J2 induces IL-8 and GM-CSF in a human airway epithelial cell line (NCI-H292)’. The correct figure 2 is shown here.

**Fig. 2.** Effects of 15d-PGJ2 on the IL-8 and GM-CSF protein level in the culture media after 24-hour incubation of NCI-H292 cells. IL-8 and GM-CSF were measured by ELISA. Data are expressed as means ± SD (n = 6). *p < 0.001 versus control (DMSO alone) (ANOVA with Bonferroni correction).
