The European Ophthalmic Pathology Society

Report for the Journals

The 29th Annual Meeting of the European Ophthalmic Pathology Society was held in Coimbra, Portugal, 3rd-6th June 1990, at the invitation of the Organizing Secretary, Prof. Dr. J. Cunha-Vaz, assisted by Dr. R. Proença.

Prof. J. D. Gass of the Bascom Palmer Eye Institute (Miami) and the Verhoeoff-Society, was the honoured guest. Five other guests attended the meeting: Dr. M.A. Farell (Dublin), Dr. F. D’Hermies (Paris), Dr. K.V. Löffler (Freiburg), Dr. E.P. Messmer (Zurich) and Dr. S. Uffer (Lausanne). Twenty-six ordinary members of the Society attended the meeting.

The following papers were presented at the scientific meeting:

Orbital and Choroidal Squamous Cell Carcinoma of Unknown Origin (H. Witschel, FRG)
Dysplastic Nevus of the Right Lower Eyelid Margin (D. de Wolff-Rouendaal, The Netherlands)
At the Business Meeting, Dr. C. M. Moy (The Netherlands) and Prof. I. Sueveges (Hungary)
were elected to ordinary membership.
The attractive, well-organized social program showed the most remarkable sites of the city with
its famous historic university buildings and the nearby countryside.
T. The next meeting will be held in Nürnberg/Erlangen (FRG)
May 1991
and Prof. G.O.H. Naumann will act as Organizing Secretary.
Prof. B. Daicker Corresponding Secretary
