Acknowledgments

The authors would like to thank Otodynamics Ltd. for suggesting that we perform these measurements under conditions of hypobaric hypoxia, Rion Co. Ltd. for providing the instruments used for the ear simulator measurements, the Japan Institute of Sports Sciences for allowing us to use their hypobaric hypoxia chamber, and Prof. David T. Kemp, from the UCL Centre for Auditory Research/Ear Institute, London, UK, for his helpful suggestions.

References

Erratum

In the paper ‘Fluoroquinolone-Resistant Pseudomonas aeruginosa in Chronic Rhinosinusitis’ (ORL 2009;71:263–267, DOI: 10.1159/000242428), a co-author was omitted. The correct listing is as follows:

J. Guss W.M. Abuzeid L. Doghramji P.H. Edelstein A.G. Chiu

Ide/Harada/Kanzaki/Saito/Hoshikawa/ Kawahara/Ogawa
