META-ANALYSIS

234 Liver transplantation versus liver resection for hepatocellular carcinoma: a meta-analysis
Xu XS, Liu C, Qu K, Song YZ, Zhang P and Zhang YL
Xi’an, China

ORIGINAL ARTICLES

Transplantation

242 Different cava reconstruction techniques in liver transplantation: piggyback versus cava resection
Schmitz V, Schoening W, Jelkmann I, Globke B, Pascher A, Bahra M, Neuhaus P and Puhl G
Berlin, Germany

250 Pretransplant absolute monocyte count in peripheral blood predicts posttransplant tumor prognosis in patients undergoing liver transplantation for hepatocellular carcinoma
Kim YK, Kim SH, Lee SD, Lee SA and Park SJ
Goyang and Chuncheon, Republic of Korea

259 Impact of intra-operative cholangiography and parenchymal resection to donor liver function in living donor liver transplantation
Hangzhou, China

Liver

264 Mesohepatectomy versus extended hemihepatectomy for centrally located hepatocellular carcinoma
Chen X, Li B, He W, Wei YG, Du ZG and Jiang L
Chengdu, China
271 **Indocyanine green clearance test combined with MELD score in predicting the short-term prognosis of patients with acute liver failure**
Feng HL, Li Q, Wang L, Yuan GY and Cao WK
*Tianjin, China*

276 **Acute liver failure in Chinese children: a multicenter investigation**
*Beijing, China*

281 **Ron receptor-dependent gene regulation of Kupffer cells during endotoxemia**
Kulkarni RM, Stuart WD and Waltz SE
*Cincinnati, USA*

293 **HepG2 cells recovered from apoptosis show altered drug responses and invasiveness**
Wang SS, Xie X, Wong CST, Choi PY and Fung MC
*Hong Kong, China*

301 **Detection of liver micrometastases from colorectal origin by perfusion CT in a rat model**
Hatwell C, Zappa M, Wagner M, Michoux N, Paradis V, Vilgrain V, Maggiori L and Panis Y
*Clichy, France*

309 **Sodium butyrate protects against toxin-induced acute liver failure in rats**
*Wuhan, China*

### Biliary

316 **Emergency cholecystectomy vs percutaneous cholecystostomy plus delayed cholecystectomy for patients with acute cholecystitis**
Karakayali FY, Akdur A, Kirnap M, Harman A, Ekici Y and Moray G
*Ankara, Turkey*

### Pancreas

323 **Validation of the moderate severity category of acute pancreatitis defined by determinant-based classification**
Jin T, Huang W, Yang XN, Xue P, Javed MA, Altaf K, Sutton R and Xia Q
*Chengdu, China*
BRIEF REPORT

328  Possible benefit of splenectomy in liver transplantation for autoimmune hepatitis
Xu YT, Liu DJ, Meng FY, Li GB and Liu J
Jinan, China

LETTERS TO THE EDITOR

332  Comment on "Terry's nail: an overlooked physical finding in cirrhosis"
Li ZX, Xiao SX and Ji FP
Xi'an, China

332  The Author Reply
Baran B
Van, Turkey
