Announcement

'Fundación René Barón' Award

'Instituto de Investigaciones Hematológicas Mariano R. Castex, Academia Nacional de Medicina de Buenos Aires, Argentina', and 'Fundación René Barón' Award

Purpose: To honor an Iberoamerican scientist from an Iberoamerican country who has made major contributions and authored international publications in the field of hematology.

Award: A US$ 10,000 cash prize and a framed certificate.

Deadline: Nominations must be received by December 18, 1998.

Submission: Nominations should include the following: nomination cover page; nomination letter including a specific description of the nominee's achievements on which the nomination is based; nominee's curriculum vitae including a list of publications (last 5 years) in internationally recognized indexed scientific journals, and two supporting letters. The Jury's decision will be irrevocable. Submit the original and four copies to:
