Retraction Statement

Chen P, Luo X, Che Z, Zhang W, Liu F, Hou D, Yang D, Liu J, entitled „Targeting of the C-Jun/BCL-XL/P21 Axis Accelerates the Switch from Senescence to Apoptosis Upon ROC1 Knockdown in Gastric Cancer Cells“ [Cell Physiol Biochem 2018;48:1123-1138, DOI: 10.1159/000491979].

We are very sorry for that in recent studies we obtained some new data which is inconsistent with part of the results in this article, we need further confirmatory tests to verify these results. To avoid any negative impact on other's research in this field, after serious consideration, all of the authors have decided to withdraw it from publication.

We sincerely apologize for our decision and appreciate the efforts of the editors, reviewers and publishers.

Ping Chen (First author)
