In the article by Wundsam et al. entitled “Clinical Outcome in Patients with Carcinoma of the Esophagogastric Junction Treated with Neoadjuvant Radiochemotherapy or Perioperative Chemotherapy: A Two-Center Retrospective Analysis” [Oncology. DOI: 10.1159/000507706], an error occurred in Figure 2. The correct Figure 2 is shown below:

**Fig. 2.** Overall survival according to neoadjuvant treatment (NRCT or NACT) of adenocarcinoma of the esophagogastric junction I–III. NACT, neoadjuvant/perioperative chemotherapy; NRCT, neoadjuvant radiochemotherapy.
