Neonatology 2021;118:628
DOI: 10.1159/000517552

Published online: August 17, 2021

Due to a mistake of the publisher, previously a wrong version of the article by Sorg et al. entitled “Clinical Diversity of Cerebral Sinovenous Thrombosis and Arterial Ischaemic Stroke in the Neonate: A Surveillance Study” [Neonatology, DOI: 10.1159/000512526] was online. The article has been republished as the correct version of record. The original incorrectly published article is available on request from the publisher.
