\(\alpha_1\)-Adrenoceptors as Targets for Therapeutic Agents in Urology

Pre-Congress Satellite Symposium, Paris, July 23–24, 1998
in connection with the
XIIIth International Congress of Pharmacology, Munich,
July 26–31, 1998

Guest Editor
S.Z. Langer, Bagneux

Scientific Secretariat
J. Alexander, Bagneux

51 figures, 9 in color and 19 tables, 1999
Main Sponsors

Synthélabo Recherche, Bagneux, France

Atelier de Recherche sur les Récepteurs, Paris, France
Contents

1 Introduction
Langer, S.Z. (Bagneux)

Molecular Biology and Pharmacology of \( \alpha_1 \)-Adrenoceptors

2 History and Nomenclature of \( \alpha_1 \)-Adrenoceptors
Langer, S.Z. (Bagneux)

7 Molecular Pharmacology of Human \( \alpha_1 \)-Adrenergic Receptors: Unique Features of the \( \alpha_1_a \)-Subtype
Schwinn, D.A.; Price, R.R. (Durham, N.C.)

11 Structure-Function Relationships of the \( \alpha_1_b \)-Adrenergic Receptor
Scheer, A. (Lausanne); Fanelli, F. (Modena); Diviani, D. (Lausanne); de Benedetti, P.G. (Modena); Cotecchia, S. (Lausanne)

17 Adrenoceptor Pharmacology: Urogenital Applications
Ruffolo, R.R., Jr.; Hieble, J.P. (King of Prussia, Pa.)

23 The Distribution of Noradrenergic Nerves in the Human Lower Urinary Tract. A Review
Gosling, J.A. (Stanford, Calif.); Dixon, J.S. (Hong Kong); Jen, P.Y.P. (Stanford, Calif.)

Pharmacology and Pathology of the Lower Urinary Tract.
I. Benign Prostatic Hyperplasia (BPH)

31 \( \alpha_1 \)- and \( \alpha_2 \)-Adrenoceptors in BPH

35 Preclinical Pharmacology of \( \alpha_1 \)-Adrenoceptor Antagonists
Martin, D.J. (Rueil Malmaison)

42 Signal Transduction Pathways Associated with \( \alpha_1 \)-Adrenoceptor Subtypes in Cells and Tissues Including Human Prostate
Marshall, I.; Burt, R.P. (London); Chapple, C.R. (Sheffield)

48 Clinical Pharmacology of \( \alpha_1 \)-Adrenoceptor Antagonists
Kirby, R.S. (London)

54 Clinical Experience in Europe with Uroselective\( \alpha_1 \)-Antagonists
Debruyne, F.M.J.; Van der Poel, H.G. (Nijmegen)
59 \(\alpha_1\)-Adrenoceptor Selectivity: The North American Experience
Wyllie, M.G. (Herne Bay)

64 Future Prospects for Uroselective Alpha-1-Antagonists
Jardin, A. (Le Kremlin-Bicêtre)

65 Discussion

Round Table Discussion

66 Role of \(\alpha_1\)-Adrenoceptors in the Future Treatment of Urological Diseases
Langer, S.Z. (Bagneux); Kirby, R. (London); Wyllie, M.G. (Herne Bay); Clarke, D.E. (Royston); Andersson, K.E. (Lund); Chapple, C. (Sheffield)

Pharmacology and Pathology of the Lower Urinary Tract.
II. Urinary Incontinence

68 Modulation of Voiding and Storage Reflexes by Activation of \(\alpha_1\)-Adrenoceptors

74 \(\alpha_1\)-Adrenoceptors in Urethral Function
Brading, A.F.; McCoy, R.; Dass, N. (Oxford)

80 Importance of Agonists in \(\alpha\)-Adrenoceptor Classification and Localisation of \(\alpha_1\)-Adrenoceptors in Human Prostate
McGrath, J.C.; Naghadeh, M.A.; Pediani, J.D.; Mackenzie, J.F.; Daly, C.J. (Glasgow)

89 Pharmacological Management of Incontinence
Sullivan, J.; Abrams, P. (Bristol)

Pharmacology and Pathology of the Lower Urinary Tract.
III. Bladder and Sexual Dysfunction

96 \(\alpha_1\)-Adrenoceptors and Bladder Function
Andersson, K.-E. (Lund)

103 Pharmacology of \(\alpha\)-Adrenoceptors in Male Sexual Function
Rampin, O. (Jouy-en-Josas)

107 BPH and Sexuality
Zlotta A.R.; Schulman, C.C. (Brussels)

113 Abstracts, Poster Session
118 Author Index
119 Subject Index
