Fondation René-Touraine pour la recherche en dermatologie: Fellowships 2004

Four fellowships up to EUR 4,500 each (for short exchange periods) and one up to EUR 18,000 (for a long exchange period) are given towards supporting a period spent in a research laboratory or clinical department of a different country, in order to promote international collaborations.

Application forms, for either type of grant, may be requested from the office of the Foundation at the E-mail address fond.r.touraine@chu-stlouis.fr
or at the following address:
Fondation René-Touraine
Hôpital St-Louis, Pavillon Bazin
1, avenue Claude-Vellefaux
FR–75475 Paris Cedex 10 (France)
Tel. +33 1 53 72 20 60, Fax +33 1 53 72 20 61
Deadline for reception of applications by E-mail or mail: October 1, 2004

International Short Course on Dermoscopy
Graz, July 13–17, 2004

This course, held at the Department of Dermatology, Medical University of Graz, Austria, is designed for all colleagues interested in learning dermoscopy for diagnosing and managing equivocal pigmented skin lesions more effectively. Special emphasis will be given to correlating meticulously the clinical and dermoscopic images of pigmented skin lesions with their underlying histopathologic findings.

The detailed programme is presented on the website http://dermoscopy.meduni-graz.at.

For further information, please contact cme.dermoscopy@meduni-graz.at.
