15th International Symposium on Contact Dermatitis
Paphos, Cyprus, November 6–9, 2005

The 15th International Symposium on Contact Dermatitis (ISCD) will take place in conjunction with the 5th International Symposium on Irritant Contact Dermatitis at the Elysium Beach Resort, Paphos, Cyprus, on November 6–9, 2005.

The program will cover the spectrum of allergic and irritant contact dermatitis, basic mechanisms and clinical aspects.

The symposium is being held under the auspices of the following organizations: International Contact Dermatitis Research Group; European Society of Contact Dermatitis (ESCD); Israel Contact Dermatitis Society, and the Israel Society of Dermatology.
