Retraction Statement

Paper by Sato et al. Entitled “Longitudinal Study of Bone and Calcium Metabolism and Fracture Incidence in Spinocerebellar Degeneration” [Eur Neurol 2006;56:155–161]

We wish to retract the paper entitled “Longitudinal Study of Bone and Calcium Metabolism and Fracture Incidence in Spinocerebellar Degeneration” [Eur Neurol 2006;56:155–161] by Y. Sato, Y. Honda, T. Asoh, J. Iwamoto as a result of a few inconsistencies about data integrity and scientific misconduct, which have been brought to our attention. For further information see also <http://retractionwatch.com/2016/11/09/analysis-casts-doubt-on-bone-researchers-body-of-work/>.
