Phytotherapie

• Deutsche Gesellschaft für Naturheilkunde e.V.

*Complementary Medicine Research* is an international journal that aims to bridge the gap between conventional and complementary/alternative medicine (CAM) on a sound scientific basis, promoting their mutual integration. Accordingly, experts of both conventional and CAM medicine cooperate on the journal's editorial board, which accepts papers only after a rigorous peer-review process in order to maintain a high standard of scientific quality.

## Complementary Medicine Research

Founded: 1994

Category: Clinical Research

Field of Interest: Complementary Medicine

## Submission

'Complementary Medicine Research' publishes articles on basic and practice-related research, clinical studies, methodology or scientific theory in complementary medicine.

Manuscripts must be submitted online.

Names, postal and e-mail addresses of two experts in the appropriate area of research should accompany each manuscript. Selected scientists will be invited to act as referees. Referees suggested should not be from the same institution as the author and should have expert knowledge of the subject.

Should you have any problems with electronic submission, please contact:

Andreas Beckmann  
Editorial Office  
'Complementary Medicine Research'  
S. Karger Verlag für Medizin und Naturwissenschaften GmbH  
P.O. Box  
79095 Freiburg (Germany)  
Tel. +49 761 45 20 726  
Fax +49 761 45 20 714  
[a.beckmann@karger.com](mailto:a.beckmann@karger.com)

## Conditions

Acceptance of a manuscript is based on the evaluation by several reviewers (peer review).

Manuscripts are received with the explicit understanding that they are not under simultaneous consideration by any other publication. Submission of an article for publication implies the transfer of the copyright from the author to the publisher upon acceptance.
