Portuguese Journal of PUBLIC HEALTH

Submit your paper to this open access journal

www.karger.com/pjp

- open access
- peer-reviewed
- fast online publication

Editors-in-Chief
H. Canhão, Portugal
A. Sousa Uva, Portugal

This journal publishes scientific content in the field of public health in general as well as related disciplines, with the aim to promote the discussion and development of knowledge at a national and international level. One special topic issue per year concentrates on a topic of general health interest such as primary care, health economics, new models in health management, or occupational health. The journal publishes original articles, reviews, editorials and opinion articles.
