Dear Reader,

We are pleased to announce the launch of *Case Reports in Clinical Nutrition*, yet another addition to the successful Karger Case Reports series. This new and exciting peer-reviewed Open Access journal publishes original case reports in clinical nutrition of both adults and children, an area which is still underrated. *Case Reports in Clinical Nutrition* not only gives clinicians, researchers, and dietitians the opportunity to share their knowledge and experience with a wide and interested readership, but also provides a chance to review exciting cases from colleagues worldwide.

**Call for Papers**

*Case Reports in Clinical Nutrition* welcomes contributions that cover the entire field of clinical nutrition, including prevention, diagnosis, and treatment in the out- and in-patient setting.

Publication in this journal is free of charge. Benefit from this offer and submit your article now!

**Call for Editorial Board Members**

Become an Editorial Board Member and help shape the journal. To apply, contact the Editor-in-Chief Peter E. Ballmer or the Managing Editor Lena J. Storck via the journal website.
