SPAHQ (Sexual and Physical Abuse History Questionnaire)

This interview is usually administered with additional questions concerning other types of trauma to obtain a total trauma measure.

**TRAUMA (TRA)**

We know that many people have had unwanted “sexual” or violent experiences as children or adults. These experiences may be so upsetting that they may not have been discussed with anyone. Sometimes they are forgotten for long periods of time, and sometimes they are frequently brought to mind. Please try to remember whether any of the following has occurred to you.

1. **Before your 13th birthday**, did an adult or someone at least five years older than you ever touch the sex organs of your body when you did not want this? By touch we mean with hands, mouth, or objects on your sex parts, that is (males: penis, pubic area or anus; females: breasts, vagina, pubic area or anus).
