For the Strategic Competence Center «Industry & Society Services» within Karger Labs, the Karger arm focused on strategy, innovation and product development, we are looking for a motivated person to join our increasingly agile organization as a

**Strategic Competence Specialist, Industry Services (60 – 80%)**

In this role you will be supporting the Strategic Competence Lead in the development of product structures and processes to capture and leverage the complex and multi-layered relationships with the industry, across all internal and external stakeholders.

**This multifaceted role includes:**
- Controlling, co-developing and communicating the entire product and service portfolio of Karger Publishers for industry (in cooperation with other divisions within the company; i.e. Labs, Experience)
- Expanding market and persona knowledge (in cooperation with Insights and Community Management)
- Integrating needs and possible value propositions from all relevant internal divisions (Labs, Experience, Factory)
- Providing appropriate processes and tools that enable higher-level control and monitoring of the Industry Services business.
- Optional: Pre-sales/project management meetings with key accounts as support and regular international travel activities (max. 5%)

**Qualification and experience required:**
- Commercial university degree or similar education or similar education
- Professional training and experience in medical/scientific publishing and/or the healthcare industry (Pharma, MedTech, related life sciences) preferred
- Several years of relevant work experience in a similar function
- Strong conceptual and analytical skills
- Highly service and goal orientated with a strong sense of responsibility and aptitude for integrating the needs of various stakeholders
- Language skills – German & English: very good, both written and spoken (additional languages a plus)
- Excellent IT knowledge (MS Word, Excel, PowerPoint)

**What we offer:**
- A work environment where personal development and responsibility are highly valued
- Modern offices that contribute to innovation and collaboration
- Flexible working hours
- Centrally located workplace
- Benefits of the Swiss social system

If you would like to take on the challenge this role presents, we look forward to receiving your application directly at humanresources@karger.com.

About us: Karger Publishers is a worldwide publisher of scientific and medical content based in Basel, Switzerland. It is independent and family-led in the fourth generation by Chairwoman and Publisher Gabriella Karger. Connecting and advancing health sciences since 1890, Karger has been continuously evolving, keeping pace with the current developments and shifts in research and publishing.

The publishing house is dedicated to serving the information needs of the scientific community, clinicians and patients with publications of high-quality content and services in health sciences. Karger Publishers has 240 employees and is present in 15 countries around the globe.
