Terms & Conditions for the Use of Karger Online Publications

S. Karger AG Medical and Scientific Publishers, Allschwilerstrasse 10, CH-4009 Basel, Switzerland (hereinafter referred to as ‘Licensor’) provides via its website www.karger.com online access to its proprietary databases, eJournal content, articles and eBooks. These Terms & Conditions apply to all contractual arrangements between the Licensor and its customers (‘Licensee’) regarding the use of the Materials. The Licensor and the Licensee are hereinafter collectively referred to as the ‘Parties’.

1. DEFINITIONS

For the purpose of these Terms & Conditions, and solely for this purpose, the terms set forth hereinafter shall be defined as follows:

1.1 ‘Licensed Materials’ shall mean the electronic content of the Licensor’s journal articles and/or book chapters, journals and/or books or packages and collections thereof as purchased and/or subscribed to by the Licensee. Licensed Materials are delivered in PDF format and, if available, in HTML full text and/or in Karger's Active Book format. A KargerActiveBook is defined as a fully searchable and internally interlinked single book file available via the Licensor’s server. Licensed Materials shall be directly accessible through IP identification and in some cases via User ID/password; in case of a subscription the Materials may from time to time be amended by mutual agreement of the Parties;

1.2 ‘Licensee’ shall mean an institutional (academic, governmental, research or clinical) center (or a comparable entity), a corporate customer or a society;

1.3 ‘Authorized Users’ shall mean an individual who is authorized to access Licensed Materials through a Secure Network or proxy server at a subscribing institution. Such individuals might be either a current employer or employee of a clinical center, a governmental, research or comparable entity; in case of an academic institution a current student, faculty member, library patron or employee (Academic User) via his/her affiliation with a subscribing institution as well as a visitor (Walk-In User) who is permitted to access the Licensed Material from a designated terminal, which is physically located in the Licensee’s premises; likewise a current employee or independent contractor of a commercially operating Licensee (Corporate Customer) and its affiliate; as well as an individual who is a member of a society that has arranged for access to Licensed Materials for its current members;

1.4 ‘Fee’ shall mean the payment made by the Licensee to the Licensor for the purchased and/or subscribed Licensed Materials. Unless stipulated differently between the Parties, the Fee shall exclude any sales, use, value added or similar taxes. The Licensee shall be liable for any such taxes in addition to the Fee;
1.5 ‘Commercial Use’ shall mean use for the purposes of monetary reward by means of sale, resale, loan, transfer, hire or any other form of exploitation of the Licensed Materials. For the avoidance of doubt, neither recovery of direct costs by the Licensee from Authorized Users, nor use by the Licensee or by an Authorized User of the Licensed Materials in the course of research funded by a commercial organization, is deemed to be Commercial Use;

1.6 ‘Course Packs’ shall mean a collection or compilation of materials e.g. book chapters or journal articles assembled by Authorized Users for internal use for the purposes of instruction;

1.7 ‘Text and Data Mining (TDM)’ shall mean a machine process by which information may be derived by identifying patterns and trends within natural language through text categorization, statistical pattern recognition, concept or sentiment extraction, and the association of natural language with indexing terms;

1.8 ‘Electronic Reserve’ shall mean electronic copies of materials e.g. book chapters, journal articles made and stored on the Secure Network by the Licensee for exclusively internal educational use in connection with specific courses of instruction offered by the Licensee to Authorized Users;

1.9 ‘Secure Network’ shall mean a network, whether a standalone network or a virtual network within the Internet, which is accessible only to Authorized Users approved by the Licensee, and whose identity is authenticated at the time of log-in and periodically thereafter consistent with current best practice, and whose conduct is subject to regulation by the Licensee;

1.10 ‘Server’ shall mean either the Licensor’s server or a third-party server designated by the Licensor on which the Licensed Materials are mounted and may be accessed.

2. GRANT

7. **LICENSOR’S UNDERTAKINGS**

7.1 The Licensor shall:

b) provide the Licensee reasonably promptly after signing a purchase or subscription agreement with information sufficient to enable access to the Licensed Materials;

c) ensure that the Server has adequate capacity and bandwidth to support the usage of the Licensee at a level commensurate with the standards of availability for information services of similar scope operating via the World Wide Web, as such standards evolve from time to time over these Terms & Conditions;

d) use reasonable endeavors to make the Licensed Materials available to the Licensee and to Authorized Users on a twenty-four-hour basis, save for routine maintenance and to restore access to the Licensed Materials as soon as possible in the event of an interruption or suspension of the service.

7.2 The Licensor will brand each Licensor site visit by Authorized Users as follows:

‘You are now in the protected Licensee full-text zone. You are logged in as a Licensee authorized user and these are your subscriptions’.

7.3 The Licensor reserves the right at any time to withdraw from the Licensed Materials any item or part of an item which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. The Licensor shall give written notice to the Licensee of such withdrawal. If the withdrawn material represents more than fifty percent (50%) of an individual journal issue, the Licensor shall make a pro rata refund of the Fee, taking into account the amount of material withdrawn and the remaining unexpired portion of the Fee for the individual journal in question.

7.4 Online Access:

The Licensor will provide the Licensee with online access to the full text of the Licensed Materials.

a) For customers with a minimum of five years online purchase history the Licensor guarantees unconditionally perpetual access to all Licensed Materials;

b) For other online customers who do not purchase any Licensor products for a period of five years after the initial/last purchase or who have terminated the Agreement as specified below under clause 10.2 and 10.3, the Licensor reserves the right to discontinue access via www.karger.com. Customers then may secure perpetual access locally by obtaining from the Licensor licensed content on CD-ROM (or any other state-of-the-art technical medium) including header files/metadata, against a nominal fee of twenty-five (25.00) Swiss Francs. The Licensor reserves the right to change the fees at its own discretion.

7.5 The Licensed Materials are deposited permanently with Portico, an independent not-for-profit organization maintaining dark digital archives. By joining Portico, the Licensee will have assured access in perpetuity through Portico to the Licensed Material should access via the Licensor no longer be possible.
7.6 The Licensor provides the Licensee with the necessary Login Data to grant access to the Licensee’s private title access information via My Karger Login. Such usage information, comprising the IP range, time range, title and number of accesses, will be available online to the Licensee on an individual basis. The usage information shall be compiled in a manner consistent with any applicable privacy or data protection laws, and the anonymity of individual users and the confidentiality of their searches shall be fully warranted.

8.1 The Licensee shall:
   a) ensure that only Authorized Users are permitted access to the Licensed Materials;

   d) issue passwords or other access information only to Authorized Users and ensure that Authorized Users do not divulge their passwords or other access information to any third party;
   e) keep full and up-to-date records of all Authorized Users and their access details, and if appropriate provide the Licensor with periodic lists of additions, deletions or other alterations to such records as are necessary to enable the Publisher to provide Authorized Users with access to the Licensed Materials as set forth in these Terms & Conditions;
   f) provide the Licensor, reasonably promptly after signing a purchase agreement, with information sufficient to enable the Licensor to provide access to the Licensed Materials in accordance with its obligation under clause 7.1 b). 9 MUTUAL UNDERTAKINGS

The Parties shall safeguard the intellectual property, confidential information and proprietary rights of the other party.

10 TERM AND TERMINATION

10.1 These Terms & Conditions shall be effective from the date of the first online purchase contract between the Parties and shall survive the termination of any purchase contract and will remain in force until further notice or until substantial changes on the side of the Licensee necessitate an update. The Licensor may amend these Terms & Conditions at any time and any revised version will be effective immediately after the Licensee's explicit acceptance.

10.2 The Licensor reserves the right to withdraw the Licensee's access to the Licensed Materials in the event of a systematic breach of these Terms & Conditions by an Authorized User (as specified in 6.1 and 6.2).
10.3 By providing online access [as specified in 7.4 b)] the Licensor grants to the Licensee a nonexclusive license to use the Licensed Materials in accordance with separate restrictions on their use, surrogating these Terms & Conditions and announced by the Licensor before serving the Licensee with the requested CD-ROM or other technical state-of-the-art medium.

11. WARRANTY AND LIABILITY

11.1 The Licensor warrants that the Licensed Materials do not violate any third-party rights. In case third parties allege any claims, the Licensor shall at its option either defend the Licensee against the claims or satisfy them. This warranty shall survive the termination of any purchase agreement; however, it shall not apply if the Licensee has modified the Licensed Materials in any way not permitted by these Terms & Conditions.

11.2 Except as provided expressly in these Terms & Conditions, the Licensor makes no representations or warranties of any kind, explicit or implied, including, but not limited to, warranties of design, accuracy of the information contained in the Licensed Materials, and merchantability or fitness of use for a particular purpose. The Licensed Materials are supplied ‘as are’.

11.3 The Licensor shall not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failures of performance. The Licensor will use commercially reasonable efforts to correct any material performance problem brought to its attention by the Licensee.

11.4 Neither party shall be liable in any way for failure or delay in performing its obligations under these Terms & Conditions if the failure or delay is due to causes outside the reasonable control of the party in default.

11.5 NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOST PROFITS AND LOSS OF GOODWILL) ARISING FROM ANY BREACH OF THESE TERMS & CONDITIONS, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

12. GENERAL

12.1 These Terms & Conditions may not be assigned or transferred to any third party, nor may either party subcontract any of its obligations without the prior written consent of the other party, which consent shall not unreasonably be withheld.

12.2 Neither party's delay or failure to perform any provision of these Terms & Conditions, as result of circumstances beyond its control including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities shall be deemed to be, or to give rise to, a breach of these Terms & Conditions.

12.3 Either party's waiver, or failure to require performance by the other, of any provision of these Terms & Conditions will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.

12.4 The invalidity or unenforceability of any provision of these Terms & Conditions shall not affect the continuation or enforceability of the remainder of these Terms & Conditions.
12.5 These Terms & Conditions shall be governed by and construed according to the laws of Switzerland and the Parties agree to submit to the jurisdiction of the Courts of Basel.
