New Book Release

Endocrine Disruptors and Child Health

9th ESPE Advanced Seminar in Developmental Endocrinology, Rome, May 2015

Editor(s): S. Cianfarani, O. Söder
76 p., 13 fig., 8 in color, 7 tab., soft cover, 2016

A comprehensive overview of the evidence

Endocrine disruptors are chemicals that may interfere with the body's endocrine system and produce adverse developmental, reproductive, neurological, and immune effects in both humans and wildlife. This issue of Hormone Research in Paediatrics covers their impact on child health. It reviews history,...

RSS Feeds

Karger RSS Feeds provide regular and automatically updates the 20 last published articles and enable direct access.

Please visit the extra site [Karger RSS Feeds](http://www.karger.com/services/rssfeeds) on www.karger.com/services/rssfeeds.

Here you can choose between RSS Feeds for books or for journals.

For **RSS Feeds for Books** click the heading to expand the RSS menu. You have the choice between *New Releases* or *Karger books in preparation*. Depending on your RSS reader, drag and drop the RSS icon to your RSS reader or copy and paste the link into your RSS reader.

For **Journals** you have the possibility to add a feed per journal title. Again, drag and drop the RSS icon to your RSS reader or copy and paste the link into your RSS reader.
